Dear Policyholder,

General Insurance - Outstanding Premium

Policy No : CRWCI240000094 Debit No. : CRWCI24000009401 0001

Outstanding Amount : LKR 14,719.60

This is to inform you that the premium in respect of the above policy will exceed the 60 days grace allowed under the premium warranty clause on 31/12/2025.

Whilst requesting you to pay the premium in order to ensure that the cover under the policy continues, in the event of the premium not being settled within 60 days, the policy will become automatically null and void and we shall not be liable for any claims devolving on the policy / policies.

The above consequential action is in terms of the premium warranty Clause which all insurers have been directed to impose, by the Insurance Regulatory Commission of Sri Lanka, with regard to general policies of insurance.

The salient features of the premium warranty clause are detailed below:

- Full premium due in respect of any insurance should be settled to the company within sixty (60) days from date of inception of the Policy, renewal certificate, Endorsement or cover Note
- The settlement of the full premium on or before the due date is a condition precedent to the company's liability or an obligation to settle any claims arising from the contract.
- If the full premium payable under the policy remains outstanding after the expiry of 60 days, the insurance cover become null and Void automatically. However, the company reserves the right to Demand the full or any part of the defaulted premium attributable to the expired period of insurance.

In the event you have already paid the premium, please advise us the date of payment and the receipt or cheque number including bank and the branch.

Yours faithfully,
